**PETITION TO REVIVE UNDER 37 CFR 1.137(B)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This Petition to Revive under 37 CFR 1.137(b) is submitted to revive the present application and pay the Issue and Publication Fees due to the unintentional failure to timely do so.

It is noted that the issue and publication fees were due in the present application on June 18, 2008. However, due to a docketing problem, the due date for filing the Issue and Publication Fees was unintentionally allowed to lapse without taking appropriate action. Upon receipt of the Notice of Abandonment of July 11, 2008, the abandonment of the application was reported to the Applicants' foreign representative along with an inquiry as to what action should be taken. Subsequent reminders were also forwarded to the Applicants' foreign representative. Instructions from the Applicants' foreign representative were just recently received indicating that the application should be revived. Further, the Applicants' foreign representative confirmed that the entire delay was unintentional.

In light of the above, it is submitted that the entire delay in paying the Issue and Publication Fees from the due date to the filing of this Petition was unintentional. Also submitted herewith is the Issue Fee Transmittal, Issue and Publication Fees and the petition fee set forth in 37 CFR §1.17(m). Further, a Petition to Withdraw from Issue with the petition fee

set forth in 37 CFR §1.17(h), Request for Continued Examination (RCE) and Information Disclosure Statement are submitted concurrently herewith.

It is respectfully requested that the present Petition be granted and the Issue and Publication Fees be accepted.

Respectfully submitted,

Tsuyoshi NAKAMURA et al.
